Scheduling Directions for the 2019-2020 School Year

The courses listed on the back of this sheet coincide with the course flow chart handout and NBTHS Course Guide that can be found online on the NBTHS website and Guidance Livebinder or at <https://tinyurl.com/NBTHS-CourseGuide>

The Student Portal of Genesis will NOT be used this year for scheduling. Students will meet with their School Counselors to schedule courses for the 2019-2020 school year. Review the flow charts and course guide for more information about the classes you will choose. Please be prepared for your meeting with your School Counselor. Neglecting to submit this form or not actively participating in the scheduling process will result in limited options for next year.

Rising Junior Scheduling Options

Juniors who have passed 2 years of a Spanish, French, Italian or German (or other world language) can opt out of taking a 3rd year of a foreign language.

I do not want to continue with a Foreign Language next year.

Rising Senior Scheduling Options:

I will meet the New Jersey State Requirements (passing 3 years of Math & Science; and 2 years of a Foreign Language) and do not wish to take the following subjects (check all that apply):

- I do not want a 4th year of Math
- I do not want a 4th year of Science
- I do not want to continue with a Foreign Language

Please be advised that many Colleges/Universities may require a 4th year of core academic subjects as mentioned above.

As a Senior I would like **Early Out** next year and will submit the Early Out contract by February 1st or I will not be considered for this privilege.

- Semester 1 Only
- Semester 2 Only
- Full Year
