

**College Bound Student Athletes at
North Brunswick Twp. High School**

- **High School:** Student athletics at NBTHS is supervised by Shaun Morrell (smorrell@nbtschools.org), the Athletic Director in our school. In NJ, high school athletics is governed by the [NJSIAA](#) .
- **College:** Students who excel in athletics and aspire to play sports in college will need to meet the requirements set forth by the [NCAA](#), the governing body that regulates college sports. Stephen Bitalla (sbitalla@nbtschools.org) is a School Counselor at NBTHS who is also the school liaison for the NCAA.

Student athletes MUST maintain good grades in high school for all classes, especially Core Classes in the subjects of Math, Science, English, Social Studies and World Languages.

Click on the additional links on this site to learn more about the NCAA and the responsibilities of student athletes. Contact Mr. Bitalla (sbitalla@nbtschools.org) if you have any questions.
