

NBTHS "HONORS/AP CHALLENGE" APPLICATION FORM

Although my teacher recommended me for a course based on his/her evaluation of me during this school year, I'm up for the challenge to take a higher-level course next year!

I ACKNOWLEDGE THE FOLLOWING:

- Before submitting this application, I have spoken to my teacher, my counselor, the department supervisor and I have reviewed the Course Guide so that I am able to make an informed decision about my success at NBTHS.
- There is a significant difference between taking a CP level course and an Honors level course; likewise, there is a similar difference between taking an Honors level course and an AP level course.
- It is my responsibility to **adequately prepare and maintain my academic progress** for the higher-level course I wish to take by completing summer assignments, participating in study groups, seeking outside resources for enrichment & asking for help. If I'm still struggling, I can drop the course in exchange for a lower-level course.
- As long as I have completed and passed the prerequisite course(s) for the course I wish to take, I am initially eligible for a higher-level course. However, I recognize that I may have to take a "Readiness Assessment" in the subject. Those results will be shared with me so that I can make a final, more informed decision.
